SPARKLING

Sea Change

We want to combine our love of great wine with our desire to do something to help protect our oceans. With the removal of the unnecessary plastic wrap around the cork, the use of renewable plant-based closures and the paper for the labels coming from certified sustainable forests and made partially from grape waste, combined with a donation to marine charities from every bottle sold we think choosing Sea Change does make a difference.

Sea Change Prosecco, 11%.....£32

Sea Change Prosecco Rosé, 11%.....£32*

Hints of elderflower, crisp apple and summer mint set the taste buds alive. Its elegant perlage make Sea Change Free a refreshing and enjoyable companion to any occasion.

*£1 from every bottle of rose and £2 from every bottle of sparkling rose will be donated to Prevent Breast Cancer.
